Revenue No. 11.

INDIA OFFICE,
LONDON, *6th March* 1879

To—His Excellency the Right Hon'ble the Governor General of India in Council.

MY LORD,

I have read with a sad interest this very able report, which reflects great credit upon Mr. Elliott for its candid and impartial character, as well as for the clear and comprehensive manner in which the course of the famine has been viewed, and for the laborious industry displayed in its preparation. I refrain from making any comments on the several more important subjects referred to therein until I am in receipt of the Report of the Famine Commission, by whom, no doubt, further information will be elicited with reference to many of them. I cannot, however, allow this opportunity to pass without recording my concurrence in the opinion expressed in your resolution, that the thanks of Government are due to Mr. Elliott, and to the other gentlemen named, both European and Native, for the manner in which they severally performed their duties throughout this trying occasion.

I have, &c.,
